EQUAL EMPLOYMENT OPPORTUNITY POLICY

- The State of Michigan and the Department of Community Health will provide equal employment opportunity for all persons regardless of race, religion, color, sex, height, weight, marital status, national origin, age, or disability. This policy is promulgated consistent with state and federal law, and consistent with Executive Order No. 1996-13, An Equal Opportunity Workforce Planning Council.
- This policy statement and attached plan replace any existing Equal Employment Opportunity and/or Affirmative Action Plan*.
- The State of Michigan, the Department of Community Health, and I, as the department director, firmly support equal employment opportunity. I will ensure that the Department of Community Health is committed to reviewing all aspects of employment, including recruitment, selection, retention, and promotion, to identify and eliminate barriers to providing all persons equal employment opportunity.
